

Capitec and Shell partnership rules

1. This Shell Live Better Benefit is available to all Capitec clients from 1 February 2021
2. To get the benefit of 20c per litre cash back on fuel and 0.5% cash back on selected items in-store at Shell Select, you need to register for a Shell V+ Rewards card and pay with a Capitec card or scan to pay. (In-store cash back excludes tobacco products, lubricants, car wash, phone cards and municipal services.)
3. You can ask a Shell service champion for a V+ card at any participating Shell service station in South Africa
4. You can register your V+ card using any one of these methods:
 - **QR code:** scan the QR code at the back of the V+ card using your phone's camera (not through your banking app). This will take you to the registration page
 - **USSD:** dial ***120*7368#** and follow the prompts.
 - Standard USSD rates apply. When using USSD, you must use your own phone to register as the cellphone number used to register will be linked to the card
 - **Online:** visit **v-plus.co.za** and follow the steps
5. To get the cash back benefit mentioned above, you will need to swipe your registered V+ card at participating Shell service stations and pay with your Capitec card or simply scan to pay
6. You won't get the cash back benefit if you didn't register your V+ card or pay with your Capitec card
7. The cash back accumulated on your V+ card can be spent on any products (fuel and/or anything in-store) at Shell

 - Visit **v-plus.co.za**
 - Log in or register using your V+ card number and cellphone number
 - Go to Manage cards
 - Set your PINYou can then spend your cash back on fuel or anything you need at Shell Select when you swipe your V+ card and enter your PIN
9. Cash back will expire 12 months after date of issue
10. The balance of your cash back on your V+ card can be viewed at the bottom of your cash receipt (it does not include the value earned for the transaction just made). Alternatively, you can check your cash back balance anytime when you:

 - All cards are linked to one account, the cash back accumulated on each separate card is displayed as one total amount
 - You can't allocate cash back to specific cards
 - You can't choose only one card to spend the cash back with
 - As long as you have the V+ card PIN, you can use any of your registered cards to spend your accumulated cash back
 - If you need more than 3 cards linked to your account, contact the Shell Help desk for assistance on 031 001 3390
14. You cannot swipe your V+ card in conjunction with any other loyalty or benefit card – you can only swipe one loyalty or benefit card per transaction
15. You will only get 15c per litre cash back if you swipe your V+ card and pay with a card from another bank. You'll then get 15c per litre cash back on fuel instead of 20c per litre and 0.5% cash back on selected items in-store (exclusions specified above apply)
16. All Shell V+ related queries should be directed to the V+ Help desk on 031 001 3390, Monday – Friday, 8am – 4pm or by emailing info@v-plus.co.za. For any other queries or questions, contact ClientCare@capitecbank.co.za
